BOB GROSSMAN

Risk Management Consultant
Der Manouel Insurance Group
548 W. Cromwell Ave.
Fresno, CA 93711

Bob joined Der Manouel Insurance Group in 2010 after spending the first 20 years of his career working directly with select Fortune 500 companies, including Kraft and ConAgra. This was followed by five years specializing as a non-profit risk consultant, for a large, multi-national insurance company. This experience provides Bob with a unique perspective on the challenges that face complex non-profit organizations.

Bob focuses on insuring multi-faceted non-profit clients throughout California. His passion is to assist charitable organizations with their risk management efforts so they can direct more of their limited resources toward

fulfilling their stated missions.

Bob was born in southern California and raised in Fresno. He obtained his undergraduate degree in marketing at California State University Fresno, and his Masters degree in business administration at California State University Sacramento. Bob and his wife Lori have three children. He is a devoted family man and donates much of his free time coaching (and watching) youth and high school sports. Bob has been involved in countless charitable organizations and has served on the boards of the Bach Children's Choir, Central California Children's Choir and Central Valley Youth Football League.

Please contact Bob with any questions, or to arrange a time to meet with him!
